**I agree when submitting the claim to Pantaenius, that my personal data will be saved and made available to insurers, surveyors, law firms and other authorities etc. in so far Pantaenius deems this necessary in order to handle the claim. After closure of the claim, my data will be saved according to the data protection law currently in force.**

**Please note that whenever an insured event occurs, you must provide complete and true information. The insurers would point to the fact that in case of a breach of the existing obligation to provide information or explanations, there is a risk that they would be released from the obligation to provide benefits. Should a third party be entitled to the benefits payable under the contract, the said third party is equally obliged to provide information and explanations.**

**I hereby attest to the accuracy of the afore mentioned declaration**
