

# Introduce a friend - participation rules

## Who can participate?

Every policyholder of Pantaenius Branch in Poland can participate.

## Who can be presented?

Corporate or private clients owning a sailing or motor yacht who, in the past 12 months, are not/have not been a client of the Pantaenius Group or have not received an offer from one of the Pantaenius offices.

## How does it work?

Go to [www.pantaenius.pl/zapros-znajomych](http://www.pantaenius.pl/zapros-znajomych) and having your friend's consent, complete the basic data. If your friend purchases a yacht casco policy in Pantaenius - you will receive a one-off bonus equal to 7.5% of the insurance premium he has paid for. Please note that we do not pay out this amount to you, but the bonus will be deducted from your next renewal premium. You can recommend us to many people - discounts add up.

## Important information!

- Pantaenius Branch in Poland reserves the right to assess the risk and refuse to present an insurance offer to your friend.
- If we get several introductions for the same person/company, we will consider the introduction that we have received first.
- Joining the program is only possible through the form at [www.pantaenius.pl/zapros-znajomych](http://www.pantaenius.pl/zapros-znajomych).
- We reserve the right to terminate the promotional program at any time.

## Data protection

As we receive the data from you, you must ensure that the person has given his consent that his/her data can be passed on to us. Otherwise, you are solely responsible for claims of third parties for unsolicited contact against Pantaenius or the participating underwriters. Upon explicit request you have to be able to forward to us the written consent of the potential client.
